

## Guidelines for Submitting a Witness

In the months ahead, the Lord has asked us to reserve space in the weekly words mailing for a personal witness from someone who receives the weekly words. This witness should be about your personal relationship with Jesus. You can focus on a ministry, healing, blessing, miracle, or special experience, or you can write about something special that was revealed to you through the weekly words. Remember, your story may inspire others in their journey and personal relationship with me. More detailed guidelines are below.

1. Send your submission to [editor@wordsofblessing.com](mailto:editor@wordsofblessing.com). Only submissions sent to that email address will be considered.
2. Your witness should be no longer than 500 words, but ideally closer to 350 words.
3. Your submission should include your name, location (city and state or city and country), and a contact phone number and email in case we need to ask follow-up questions.
4. You will be asked to complete a permissions form to allow us to use your story in the ministry.
5. Your witness will be edited for length and clarity. If there is time, we will send you an edited version to review.
6. The witness will appear at the end of the weekly words email and in the pdf on the Words of Blessing website along with your name and location (city and state or city and country).
7. We cannot promise that we will use every submission received, but all will be given prayerful consideration.
